

**NIKKI WARGO DDS INC
1452 E 85TH AVE
MERRILLVILLE IN 46410**

We consider the time set aside for your dental appointments to be yours alone. For this reason we never double book our schedule or accept walk-ins, except in emergencies. Consequently, when you cancel or NO Show for your appointment, especially at the last minute, our entire practice is affected.

We understand that cancellations are sometimes necessary, but we all pay the price for missed appointments. Not only are we committed to bringing you the very best professional and personal care that we can, we also place value on your time. Please pay us the same respect by giving us enough advance notice when you cancel an appointment so that we can use that time for the benefit of our other patients.

If you cancel two or more appointments with less than 24 hour notice or if you NO Show for two appointments, we then request that you call us on the day you are available to see if there is an open appointment for you on that day.

Thank you for your understanding.
